

Human Resource Partners LLC and AliceBuckner.Com have teamed up to offer comprehensive human resources support and services to NH Biotech Council members. Our goal is to support your business objectives by focusing attention on your most valuable asset: your employees.

Our offerings are designed to assist employers of all sizes with legal compliance, employee productivity and retention through all stages of your business' evolution. Services are tailored to the unique needs of your organization and include:

- Legal compliance review
- HR 101 - forms, required posters, handbook, job descriptions etc.
- Benefits
- Compensation systems
- Employee satisfaction surveys
- Executive coaching
- Custom training programs
- Performance evaluation system design
- Leadership / supervisory development programs
- Workforce reduction support
- Due diligence/preparation for mergers and acquisitions
- Interim on-site human resources management

We are pleased to offer discounted services to Biotech Council Members that are up to 20% off of our hourly rates as well as a percentage of earnings to the Council.
